Divine, Jungle Jezebel

chorus Jungle jezebel, jungle jezebel Jungle jezebel, jungle jezebel

You sissy, you're just like Jungle Jim
Be careful where you sleep tonight, you don't know where it's been.
You wimp, you wimp, say who you callin' a blimp?
I ain't your Aunt Jammima and honey, you ain't my pimp!

(chorus)

The natives sure look hungry Well throw me in the pot Great googala moogala They're servin' me up hot.

(chorus)

Now who you callin' a jezebel? Your mama, your mama, your mama Open sesame, open sesame Open sesame, open sesame

(chorus) (repeat x2)

You wimp, you wimp Say who you callin' a blimp? I ain't your Aunt Jammima And honey, you ain't my pimp.

(chorus x2)
