

Divine, Love Reaction

(chorus)

Lately (I've been watching you) been thinkin' bout you baby
(and everything you do)

Just sittin' away watching the days go by

Lately (I've been watching you) been thinkin' botu you baby
(and everything you do)

Just sittin' away watching the days go by

Have you every felt a breeze hit hard,

Like the wind was blowing it apart

As you're spinning like a merry-go-round

Indications of a storm touching down

Wish that I can wear the rain and storm,

But I guess it was a heartbreak from the norm

Was a day I will always remember,

The saddest day in sweet November...

(chorus)

Baby I'm on my knees praying god help me please,

Bring my baby back, right back to me

If loving your is right then I don't wanna go wrong

So I drown myself with tears

Sittin' here, singing another sad love song

(chorus)

(bridge)

Lately I've been torn apart

I wish you hadn't broke my heart

I'm missin' you babe

Missin' you baby jay

Lately I've been torn apart

I wish you hadn't broke my heart

I'm missin you babe

Missin' you baby jay

(chorus)
