

# Divine, One More Try

Had enough danger  
With people on the streets  
Looking out for angels (angels)  
Just tryin tah find some peace mmm  
I think it's time (Now I think it's time)  
It's time that you let me know (you let me know)  
So if you love me, Say you love me  
And if u don't.. just let me go  
Teach her the things  
That I don't want to learn (things that I don't want to learn)  
And the last one I had made me cry  
So I don't want to learn to  
Hold you, Touch you  
And think that you're mine  
Cuz it ain't no world for an uptown girl  
Teacher has told her Goodbye, Goodbye, oh Goodbye  
When u were just a stranger  
I was at your feet (oooh)  
I didn't feel danger  
Now I feel the heat (yeah)  
The look in your eyes (the lookin your eyes)  
The look in those girly eyes  
Is tellin me (is tellin me)  
No, so you think that u love me  
No, that you need me  
I wrote this song, I know it's wrong  
Just let me go  
Teach her the things  
There are things that I don't want to learn (things that I don't want to learn) (oooh yeah)  
Or the last one I had made me cry (come on)  
So I don't want to learn to  
Hold you, Touch you  
Think that you're mine  
No world for an uptown girl  
Teacher has told her Goodbye, Goodbye, oh Goodbye  
So I don't want to learn to  
Hold you, Touch you  
Think that you're mine  
No world for an uptown girl  
Who just isn't willin to try  
So cold (so cold)  
Inside (inside)  
Oooh baby just one more (gimme one more try)  
Gimme one more try to ease my mind  
I feel so cold inside  
Gimme one more try to ease my mind  
I feel so cold inside  
Gimme one more try to ease my mind  
I feel so cold inside
