

Divine, T-Shirts And Tight Blue Jeans

chorus

T-shirts and tight blue jeans, t-shirts

T-shirts and tight blue jeans, t-shirts

T-shirts and tight blue jeans, t-shirts, I like it

T-shirts and tight blue jeans, t-shirts.

You animal, you animal, walking down the street

You animal, you animal, move to the savage beat

Hey Chico, hey Machacha, say there Mr. Macho

Exercise, lift them weights, you work out I'll palipatate

To coin a phrase you're the cat's meow

And I'm the dog so Bow-wow-wow.

(chorus)

Construction boots, hard hats

Patches on the seems

Wam bam thank you Sam

T-shirts, tight blue jeans.

(chorus x2)

Forget about evening wear

Don't worry when the people stare

Forget about these three piece suits

Let's put on our cowboy boots

Forget about what's on the scene

It's t-shirts and tight blue jeans.

(chorus)

Your tight blue shirt drives me insane

It makes me wanna play those games

Turn the light way up high

Yeah big man don't be shy.
