

# Dixie Chicks, Am I The Only One

(Amplett, McEntee)

Tell me mirror mirror  
Mirror on my wall  
Who is the fairest  
The fairest of them all  
Tell me fortune teller  
Look into your crystal ball  
A love for me romantically  
Tell me will I fall  
For someone good looking  
What's the color of his hair  
Does he have a fortune  
I really just don't care  
If he needs the money  
I'll gladly pay his fare  
Summon him this very night  
What style should I wear my hair  
For my lover  
I need a lover  
Dearest fairy godmother  
Please wave your magic wand  
Please send me someone  
To whom I can hold on  
Genie in the bottle  
Do you hear my plea  
If you don't answer my call  
I'll throw you in the sea  
I rule my bed alone each night  
What a poor state of affairs  
Please send me someone  
Please send me someone who really cares  
Send me out a valentine in a puff of smoke  
To curl around my body  
Passionate feelings will evoke  
Like a lover  
I need a lover  
A lover, a lover, a lover, a lover  
Fantasy and phantasm  
Whatever turns you on  
Don't let your mother tell you  
You're doing something wrong  
I use any avenue  
Of thoughts which I am fond  
Oh how I wish someone would come along  
And wave their magic wand  
Oh, oh, oh, oh  
Merlin in your castle  
Cast me a spell  
Conjure up some magic  
That you do so well  
Witches in your towers  
Mix me a potion rare  
Please use all your powers  
For this maiden fair  
High priestess of the voodoo  
Please reverse this curse  
That causes me to write to you  
This long and lonely verse  
I rule my bed alone each night  
What a poor state of affairs  
Please send me someone  
Who really cares  
Like a lover  
I need a lover

A lover, a lover, a lover, a lover  
I need a lover
