

# Dixie Chicks, Hole In My Head

Hole in my head  
hole in my head  
I need a boy like you like a hole in my head  
I need a boy like you like a hole in my head  
Let's just say we will and then don't instead

Wild goose chase  
Wild goose chase  
You're gonna take me boy on a wild goose chase  
You're gonna take me boy on a wild goose chase  
You better find somebody to take my place

You took my imagination and stomped it in the ground  
Now I can only think about you  
chasin' the tracks that you left around

Hole in my head  
hole in my head  
Oh I need a boy like you like a hole in my head  
I need a boy like you like a hole in my head  
You make me feel so bad that I wish I was dead

Let the games begin  
Yeah here I go again  
I'm never gonna win

It must have knocked me crazy  
it must have hit me hard  
People must think I'm lazy  
Like my shuffle's short  
of playing a card

Wild goose chase  
Wild goose chase  
Oh I need a boy like you  
like a wild goose chase  
I need a boy like you  
like a wild goose chase  
You better find somebody to take my place

Let the games begin  
Yeah here I go again

I need a boy like you (I need a boy like you)  
I need a boy like you (I need a boy like you)

I need a boy like you  
Like a hole in my head  
Hole in my head  
Hole in my head

Hole in my head  
Hole in my head

Like a hole in my head

I need a boy like you (I need a boy like you)  
I need a boy like you (I need a boy like you)
