

Dixie Chicks, More Love

I'm so close to you baby
But I'm so far away
There's a silence between us, and there's so much to say
You're my strength you're my weakness
You're my faith you're my doubt
We gotta meet in the middle to work this thing out

More Love
I can hear our hearts cryin'
More love
I know that's all we need
More love
To flow in between us
To take us and hold us
And lift us above
If there's ever an answer it's more love

We're afraid to be idle
So we fill up the days
Run on the treadmill, keep slavin' away
Till there's no time for talkin', about trouble in mind
And the doors are all closed
Between your heart and mine

More Love
I can hear our hearts cryin'
More love
I know that's all we need
More love
To flow in between us
To take us and hold us
And lift us above
If there's ever an answer it's more love

Just look out around us people fightin' their wars
They think they'll be happy when they've settled their scores
Let's lay down our weapons
That hold us apart
Be still for just a minute,
Try to open our hearts

More Love
I can hear our hearts cryin'
More love
I know that's all we need
More love
To flow in between us
To take us and hold us
And lift us above
If there's ever an answer it's

More Love
I can hear our hearts cryin'
More love
I know that's all we need
More love
To flow in between us
To take us and hold us
And lift us above
If there's ever an answer it's more love

More love
