

# Dixie Chicks, The Heartache's On Me

You coulda heard a pin drop  
When they walked through the door  
I turned my eyes away  
My heart fell to the floor  
Someone whispered  
'Where's her halo?'  
She had an angels face  
He stood there smilin' holdin' on  
To the one who took my place.  
So tonight  
The heartache's on me, on me  
Let's drink a toast to the fool  
Who couldn't see  
Bartender pour the wine  
'Cause the hurtin's all mine  
Tonight, the heartache's on me  
I wonder if he told her  
She's the best he's ever known  
The way he told me every night  
When we were all alone  
She'll find out when the new wears off  
He'll find somebody new  
She'll learn what heartache's all about  
And what I'm goin' through  
But tonight..  
The heartache's on me, on me  
Let's drink a toast to the fool  
Who couldn't see  
Bartender pour the wine  
'Cause the hurtin's all mine  
Tonight, the heartache's on me  
But tonight..  
The heartache's on me, on me yeah  
Let's drink a toast to the fool  
Who couldn't see  
Bartender pour the wine  
'Cause the hurtin's all mine  
Tonight, the heartache's on me  
Yes tonight,  
The heartache's on me
