

# Dixie Chicks, Walk Softly

Walk softly on this heart of mine, love  
Don't treat it mean and so unkind  
Let it rest in peace and quiet, love  
Walk softly on this heart of mine

You say you're sorry once again, dear  
You want me to take you back once more  
You say you need a helping hand, dear  
That's what you told me once before

Walk softly on this heart of mine, love  
Don't treat it mean and so unkind  
Let it rest in peace and quiet, love  
Walk softly on this heart of mine

I know you soon will find a new love  
I feel your heart is turned to stone  
Please let me down real easy  
Loneliness moves in as you move on

Walk softly on this heart of mine, love  
Don't treat it mean and so unkind  
Let it rest in peace and quiet, love  
Walk softly on this heart of mine

Walk softly on this heart of mine
