

Dizzy Mizz Lizzy, For God's Sake

(Track 13 on "Dizzy Mizz Lizzy")

Here we are
in the middle of the night
single's bar
and the madman is out to get me

Loosen up
with a bottle of beer
but wait now stop
there's a big chick coming over to see me

She wants my love for just one night
I should say no but said alright

And we're not lovers for God's sake
and teasin' isn't fair
I don't love her for God's sake
and I don't really care

But her mind's out of line

Sinkin' low
in the middle of the night
here I go
and the madman is out to get me

In a storm
in the middle of the night
on the run
and the madman is out to get me

She wanted my love for just one night
I should say no but said alright

And we're not lovers for God's sake
and teasin' isn't fair
I don't love her for God's sake
and I don't really care

But her mind's out of line
