

# Dizzy Mizz Lizzy, For God's Sake

(Track 13 on &quot;Dizzy Mizz Lizzy&quot;)

Here we are  
in the middle of the night  
single's bar  
and the madman is out to get me

Loosen up  
with a bottle of beer  
but wait now stop  
there's a big chick coming over to see me

She wants my love for just one night  
I should say no but said alright

And we're not lovers for God's sake  
and teasin' isn't fair  
I don't love her for God's sake  
and I don't really care

But her mind's out of line

Sinkin' low  
in the middle of the night  
here I go  
and the madman is out to get me

In a storm  
in the middle of the night  
on the run  
and the madman is out to get me

She wanted my love for just one night  
I should say no but said alright

And we're not lovers for God's sake  
and teasin' isn't fair  
I don't love her for God's sake  
and I don't really care

But her mind's out of line
