

# Dizzy Mizz Lizzy, I Like Surprises

I like surprises  
I can't wait too long  
Spur of the moment  
Right or wrong  
Something behind her  
I live on the run  
Something sudden movement  
Gonna come

Down the line  
Watch me one more time  
I like surprises

We like surprises  
I know what we want  
Weird little moments  
Do or don't  
So many highs for her  
Know what she needs  
Lightning in my movement  
We compete

Down the line  
Watch me one more time  
I like surprises
