

Dizzy Mizz Lizzy, Silverflame

Sorrow hides under the water
Sorrow is my only friend
Sorrow stands beside the doorway
And sorrow needs a helping hand

Girl in a glass box dressed in white
Happy enough to commit suicide
She said: Silver's meant to burn forever

Sleeping forever in a bubble of blue
Would you like to see her point of view?
She said: Silver's meant to burn forever
- Forever

[Chorus]
Say my name Silverflame and take control
Of my heart of, my mind and my soul
What a shame Silverflame that you can't burn forever

Say my name Silverflame and take control
Of my heart, of my mind and my soul
What a shame Silverflame, that you can't burn forever

And in the garden is a cheap hotel
Only invited if your thing went well
She said: Silver's meant to burn forever

Sleeping forever in a bubble of blue
Would you like to see her point of view?
She said: Silver's meant to burn forever
- Forever

[Chorus]
Say my name Silverflame and take control
Of my heart, of my mind and my soul
What a shame Silverflame, that you can't burn forever

Say my name Silverflame and take control
Of my heart, of my mind and my soul
What a shame Silverflame, that you can't burn forever
