

# Dizzy Mizz Lizzy, Too Close To Stab

Too Close To Stab  
(Track 14 on "Dizzy Mizz Lizzy")

Lookin' out that window  
for my old mind  
and any way the wind blows  
any way is fine

You won't see no yellow leaves in the rain  
I can't find no piece of mind in the rain

Lookin' out my window  
for my old mind  
and anywhere that girl goes  
any place is fine

Sittin' still so you won't kill the rain  
goin' down to psycho town in the rain

Lookin' out that window for my old mind

You cannot stab me baby when you're  
standing so close  
standing so close

Got to keep my distance  
gotta play it cool  
protecting my resistance  
ain't nobody's fool

You won't see no yellow leaves in the rain  
I can't find no piece of mind in the rain

Lookin' out that window for my old mind

You cannot stab me baby when you're  
standing so close  
standing so close
