

# Dizzy Mizz Lizzy, Two Of You

Why?  
Tell me why  
There's a river to cry tonight  
Oh why?

Try  
Dont you try  
You can never deny whats right  
Dont you try  
Oh my

Look at me  
Caught in your mystery  
Im giving twice the feeling  
And im not recieving  
Now my head is turning  
And my eyes are burning  
Its the truth im learning  
What am I to do?  
With two of you

Why?  
Tell me why  
There's a river to cry tonight  
Oh why?

Try  
Dont you try  
You can never deny whats right  
Dont you try  
Oh my

I can see  
You made a fool of me  
And you've been double dealing  
This is so revealing  
Which of you is Mary?  
I cant tell it cant be  
You've both been decieving  
What am I to do?  
With two of you
