

# DJ Antoine vs Mad Mark, VAMPIRES

I'm coming straight with you  
You're walking ... and nothing else you can do  
Can feel my appetite?  
All what you think of is naïve  
Naïve  
The blood is .. into your vein  
I can ... all my hunger now  
Don't you be afraid  
...

So put your hands in the air  
If you're a motherfucker vampire  
Coz we never die  
Coz we're motherfucker vampires

Vampires meet vampires

Coz we're motherfucker vampires!
