

# DJ Bobo, Colors Of Life

Intro:

See the colors of life  
The colors of dreams  
The colors of life  
Wherever you go  
Wherever you may go

Verse 1:

Trust in hope, trust in your real friends  
Planet colors alive, you hold it in your hands  
Realize you have to open your eyes  
And Ive learned everything has always two sides

Pre-Chorus:

Youre not alone  
The world is one family  
Youre not alone  
Find your way to be free  
Youre not alone  
Love is the hope to survive  
Youre not alone  
See the colors of life

Chorus:

See the colors of life  
See the colors of life  
See the colors of dreams  
They are wild and free  
See the colors around  
See the colors around  
The colors you have found  
See the colors of life

Post-Chorus:

See the colors of life  
The colors of dreams  
The colors of life  
The colors of life  
The colors of dreams  
The colors of life

Verse 2:

Theres a land, theres a place in your heart  
Tolerance is the key to make a better start  
Ive been waiting for my lessons of life  
And Ive learned everything has always two sides
