

DJ Bobo, Come Take My Hand

Refrain:

Come take my hand
Walk through the rainbow and enjoy wonderland
Ill show you mysteries
Come take my hand
Dont be afraid to walk this way
To a glorious day

Verse 1:

Come with me
And use your fantasy
A secret galaxy
A nomansland

Come with me
Forget reality
Believe in destiny
Come take my hand

Verse 2:

Every day
Youll find another way
Come let the wizard say
His magic words

Take the chance
And feel the great suspense
It will be so intense
But never hurts

Bridge:

Enjoy your life
Feel the freedom of thoughts
Enjoy your life
Dreams will never be caught
