

DJ Bobo, Deep In The Jungle

Refrain:

Haumbambayahumbambaheyahumbambayahe
Haumbambayahumbambaheyahumbambayahe
Haumbambayahumbambaheyahumbambayahe
Haumbambayahumbambaheyahumbambayahe
Haumbambayahumbambaheyahumbambayahe
Haumbambayahumbambaheyahumbambayahe
Haumbambayahumbambaheyahumbambayahe
Haumbambayahumbambaheyahumbambayahe

You better start thinking, this is not a world
Believe in yourself then you can make this a nice world
This is the place, that we're livin' in
Enjoy your life, be fair and you will win
Don't fake the truth and say there is nothing
Cause you know so well, there is something
I play no games, I don't tell no lies
I'm in a deep deep jungle, I can see it in your eyes

Refrain:

Haumbambayahumbambaheyahumbambayahe
I'm in the jungle
Haumbambayahumbambaheyahumbambayahe
I'm in the deep deep jungle
Haumbambayahumbambaheyahumbambayahe
I'm in the jungle
Haumbambayahumbambaheyahumbambayahe
I'm in the deep deep jungle

It was great, you know what I mean
I opened my eyes and it was a dream
It's dream, what I'm talking about
From left to the right and that's all without
Without pain, no gain another hit no brain
And by the way the shame it wouldn't be the same
I play no games, I don't tell no lies
I'm in a deep deep jungle, I can see it in your eyes

Refrain:

Haumbambayahumbambaheyahumbambayahe
I'm in the jungle
Haumbambayahumbambaheyahumbambayahe
I'm in the deep deep jungle
Haumbambayahumbambaheyahumbambayahe
I'm in the jungle
Haumbambayahumbambaheyahumbambayahe
I'm in the deep deep jungle
Haumbambayahumbambaheyahumbambayahe
Haumbambayahumbambaheyahumbambayahe
Haumbambayahumbambaheyahumbambayahe
Haumbambayahumbambaheyahumbambayahe
Haumbambayahumbambaheyahumbambayahe
I'm in the jungle
Haumbambayahumbambaheyahumbambayahe
I'm in the deep deep jungle
Haumbambayahumbambaheyahumbambayahe
I'm in the jungle
Haumbambayahumbambaheyahumbambayahe
I'm in the deep deep jungle
