

DJ Bobo, Don't Stop The Music

Heyeyeyeyeyeye
Don't stop the music Bobo jam
This is a jam we dance every day
Start out crazy and end up that way
It's not political but I swear
Tremendous group with the powerful snap
One two one two microphone check
Get down on the dancefloor break a leg
Straight to the top this one is a slammer
Stamp to the rhythm like a hammer
On and on on on and on and on
It's a new style of another Bobo song
Ready for the ultimate dance attraction
Light mixing I can get what's satisfaction
Deep deep down you better keep on moving
Deep deep down you better don't stop grooving
To the t - o - p yes to the top
Work your body don't stop
Don't stop the music
Don't stop the music
Don't stop the music
Don't stop the music
Don't stop the music Bobo jam
Get on up tell me baby
Get on up get on up and jam
Get on up tell me baby
Deep down it feels so good
Everybody in the place throw your hands in the
air
Throw your hands in the air like you just don't
care
With the rhythm and the rhyme let the music flow
Everybody in the place are you ready for the show
All the ladies in the house shake your body sing
it loud say yaa
Ladies let your body on a mystery tour
You better take that and be sure so sure
All the fans in the house clap your hands to the
sound say wo ho
Fellas it's time for you to break it
Make it take it and don't fake it
Jump jump jump up and jam
Don't stop the music is the masterplan
To the t - o - p yes to the top
Yo Jocelyn don't stop
Don't stop the music
Don't stop the music
Don't stop the music
Don't stop the music
Don't stop the music Bobo jam
Oh no no no no
Don't stop the music
Stand up everybody and jam
Straight to the top this one is a slammer
Stamp to the rhythm like a hammer
On and on on on and on and on
It's a new style of another Bobo song
