

# DJ Bobo, Let Me Be The One

Chorus:

Let me be the one,  
Let me be the one, who guides you in your life  
Forever and ever  
You're the one,  
The one I really want, you took my heart  
Since we are together

Vers 1:

I miss you like crazy  
When you're not there  
Magic vibrations are still in the air  
I'm thinking about you  
Wherever I am  
This is how I'm feeling

Bridge:

Our love will last forever  
Through the darkness of the night  
You give me strength, you give me love  
With you the sun is shining bright

Vers 2:

Wherever you are  
There is my home  
When you're not around I'm feeling alone  
I wish you were here  
Right by my side  
I am waiting for you

Mid-part:

When you hold me tight  
You take my breath away  
Whenever we're together  
I never felt this before  
In my life

Choir-Part:

Girl, let me be the one  
To guide you through the night  
Girl, let me be the one  
This is how I feel
