

DJ Bobo, Let The Dream Come True (Luke's Mix)

Refrain:

Not a broken heart
Now we gonna start
It's for me and you
Let the dream come true

What I'm gonna do without you
Let the dream come true

Not a broken heart
Now we gonna start
It's for me and you
Let the dream come true
Let the dream come true
Let the dream come true

Kick it, tip it, flip it, sip it,
Shake your body 'round get wicked
Use the door get on the floor
I still got more for you to store
Get on your feet, it's treated unique
Just feel the heat
And get back to the beat
Rude dup, rube dup
Rude dup, rube dup
Jump and shake your body
Wine it up
Everybody shake your body
D.J. BoBo starts the party
Up and down, here we go
Don't look back just let it flow
Up and down, don't lose your crown
What goes up, must come once down
How hold tight, everything's alright
There's no need to fight tonight

Refrain:

Not a broken heart
Now we gonna start
It's for me and you
Let the dream come true

What I'm gonna do without you
Let the dream come true

Not a broken heart
Now we gonna start
It's for me and you
Let the dream come true

It's a break, I don't mean a fake
Open your ears, it's not a mistake
The music is strong
And I made these rhymes
Partytime 'cause the time is mine
So let's go down, down on the floor
I wanna give you
What you are waitin' for
You know what you want
And you want it now
You know what you want
When you hear the sound
Swing your body and have some fun
Now you're on the run

This track has just begun
It's done for fun
And hits you like a gun
Jump up and down, toss and turn
Right to the ground before you burn
Pump the bass right in your face
Just in case we start the race

Refrain:
Not a broken heart
Now we gonna start
It's for me and you
Let the dream come true

What I'm gonna do without you
Let the dream come true

Not a broken heart
Now we gonna start
It's for me and you
Let the dream come true

First I waited, then created
Didn't debate it, just made it
The feeling is strong
So keep coming on
With the bass and the drums
There's nothing wrong
Now get on up, take your shoes
Swing your body get wild and loose
One, two, three, four
Tippin' and tappin'
Slippin' and slappin'
There's no stoppin'
It's Friday night, the time is right
Enjoy the vibe just like a tribe
Take the groove and move it smooth
Breakin' it down just for the groove
Kick the steps, but watch your neck
Before you get wrecked
I will come correct
This sensation no violation
Just influential for the party nation

Refrain:
Not a broken heart
Now we gonna start
It's for me and you
Let the dream come true

What I'm gonna do without you
Let the dream come true

Not a broken heart
Now we gonna start
It's for me and you
Let the dream come true
Let the dream come true
