

DJ Bobo, Party Delight

Chorus:

Its really getting hot tonight
Well dance into the morning light
Get up stand up dont stop the party delight

Verse 1:

Its saturday, its saturday night
We go to dance just to feel alright
Lets come together and stay up late
Release the pressure and celebrate
Theres gonna be a party going on
You know the night has just begun
Let the music blow your mind
And leave your troubles all behind

Verse 2:

We feel the beat, you need to move on up
The heat is on, so give me all you got
Just come on down , down to funky town
This is the time and we felling fine , yeah
Everybody see, people jammin on
You know the night has just begun
Let the music blow your mind
And leave your troubles all behind
