

# DJ Bobo, Rock My World

Chorus:

Rock my world  
Welcome to my visions  
Rock my world  
We gonna have a party  
Rock my world  
Now it's time to start the show  
So come on, rock my world

Chorus B:

Rock, rock my world  
Rock, rock my world

Bridge:

So here we are, standing strong  
We've been inside the circus  
Took the pleasure and pain  
It's sometimes the same  
I feel the power  
So let the music move you

Rap 1:

I'm back with my visions I know what to do  
Let's rock the world 'cause this ones for you  
Clap, scream, freak out and jam  
Jump to the rhythm, shake that thang  
We gonna have a party so here we go  
Now let's get lose are you ready for the show  
The countdown five, four, three, two, one  
Rock my world I mean everyone

Rap 2:

Today is the day and we're minutes away  
Turn the lights down low 'cause it's time to play  
Okay here and now we gonna rock to the rhythm  
Rock to the groove and rock my world  
Stand up we're about to start the show  
Let's go with the flow in stere-ereo  
I hear you screaming my heartbeat is rising  
I give everything, let the party begin

Midpart:

Let the music take control now  
Feel the passion of the night  
This will be a night to remember  
Here - now - we gonna have a party
