

DJ Bobo, Way To Your Heart

Chorus:

What's the way to your heart
Let me follow you, all around the world
What's the way to your heart
Let me follow you, all around the world

Verse 1:

Yes, you are the one
Our love has just begun
Now, I know for sure
You're the one I need

Pre-Chorus:

I can hold it back no longer
My love belongs to you
This is more than just a feeling
I will always guide you through

Chorus:

What's the way to your heart
Let me follow you, all around the world
What's the way to your heart
Let me follow you, all around the world
Don't you know I'll be the one
Our love has just begun
You're the angel of my dreams don't run away
What's the way to your heart

Verse 2:

No, don't turn around
True love is what I found
You're, the one for me
Need you night and day

Pre-Chorus:...

Chorus:...

Post-Chorus:

What's the way to your heart
The way to your heart
What's the way to your heart
The way to your heart

Adlibs:...

What's the way to your heart
The way to your heart

Chorus:...
