

DJ Bobo, Wonderful Day

Ref:

It's a wonderful day
The night fades away
See the sunrise in the sky
It's a wonderful day
Wake up don't stay
Spread your wings and fly away

Verse 1:

Children in the sun
Playing games of fun
See the beauty of this world
Time is running fast
Thinking of the past
Find your way and see the light

Verse 2:

Love is what we share
Friends are everywhere
See the beauty of this world
Sunlight guides your day
Try to find your way
See the life in your own eyes
