As sweat as your necklace so weak that you need it

And i promise that i love you the only one is true  
Girl im gonna miss you  
Hand in hand and eye to eye  
You the only one and i don't no why  
You are all to nice for life in fight

Everything's all right  
Now after loving you getting you settled  
My love has just begun that's fun  
Feel the truth so don't you know
