

Dj Bounce, Why do I love you

Suddenly she's
Leaving
Suddenly the
Promise of love has gone
Suddenly
Breathing seems so hard to do
Carefully you
Planned it
I got to know just
A minute to late, oh girl
now I understand it
All the times we
Made love together
Baby you were thinking of him
Why do I love you
Don't even want to
Why do I love you like I do
Like I always do
You should've told me
Why did you have to be untrue (love you like I do)
Why do I love you like I do
Ain't gonna show no
Weakness
I'm gonna smile
And tell the whole world I'm fine
I'm gonna keep my senses
But deep down
When no one can hear me
Baby I'll be crying for you
Why do I love you
Don't even want to
Why do I love you like I do
Like I always do

You should've told me
Why did you have to be untrue (love you like I do)
Why do I love you like I do
people that care
Baby your smiling face oh no
I can think of nothing else but you
Suddenly
Why do I love you
Don't even want to
Why do I love you like I do
Like I always do
You should've told me
Why did you have to be untrue (love you like I do)
Why do I love you like I do
Why do I love you
Don't even want to
Why do I love you like I do
Like I always do
You should've told me
Why did you have to be untrue (love you like I do)
Why do I love you like I do
