

Dj Cammy, Dancing in the dark

Can we try again to start
A new and lovely story that will
Shine a ray of light upon our hearts
And bring back long lost glory
Of how it used to be
Baby you and me
Convinced we were each others destiny
My heart cries out to you
You must not hear me
I've been dancing in the dark
And searching for a spark
The fires still burning
I believe we'll make it through
If you stand by me
We can weather any storm
And keep each other warm
As long as theres love
Every time i think
I close my eyes are
Filled with tears to think that
If I gave in to sweet temptation
With words like music to my ears
I hope its not too late
And hes still awake
And praying that you're
Still in heaven
Babe...
My heart cries out to you
You must not hear me
I've been dancing in the dark
And searching for a spark
The fires still burning
I believe we'll make it through
If you stand by me
We can weather any storm
And keep each other warm
As long as theres love
mmmmmmmmmmmmmmmm
Faith is not my
If i could I'd unturn
The hands of time...
Oh my heart cries out to you
You must not hear me
I've been dancing in the dark
And searching for a spark
I believe we'll make it through
If you stand by me
We can weather any storm
And keep each other warm
As long as theres love
Forever in love, in love
