

DJ Clue, Do The Bus A Bus (Remix)

[Busta Rhymes]

Ah ha ah ah ah ah ah

The Busta Buss yeah yeah

Do the Busta Buss do the buss a buss do the buss a buss

Ah ha ah ah

{1st Verse}

What What we on now bring in the storm now

Brand new phenemin like a baby was born now

A lot of corny suckaz y'all been yappin' too long now

Come inside the spot and all them suckaz is born now

Come on now, probably work in somebody's store now

Singin' my song now, while you moppin the floor now

We here to burn {shhh} hope you know this is war now

Bust big force with me, settle the score now

Of all the hot {shhh} that got the spot deformed now

You bye the shoe suckaz, we be rockin velour now

Only the live catz really belong now

Used to be rich ballers, walk around poor now

My people, we doin' it like never before now

Stack cheddar, headline the national tours now

Flipmode squad soldiers keepin it raw now

Bounce while I take y'all people straight to the floor now

[Chorus]

I know just really what you want

All right, come and do the Buss a Buss

All right, come and do the Buss a Buss

All right, lemme see y'all do the Buss a Buss

{repeat}

All right

{2nd Verse}

Jump back in the {shhh}now

Push the S 5 with the big body kit now

We never stop, you know it's only hit after hit now

Gotta spend chips if you want me to spit now

A lotta other {niggaz} really need to just quit now

'cause they don't realize how much they look like a {edit} now

Quit now, y'all suckaz just be making me sick now

Worthless ass {niggaz} is only throwing out bricks now

Yo sucka, wanna come around taking my flicks now

I only do them thingz with my Flipmode clique now

We used to be illigal but you know we legit now

I never leave the crib without my glock and my clip now

Messin with these wild chicks, havin a fit now

Model chickenz be tryin to get all in my whip now

Ready to flip now, {edit} ready to strip now

Load the whip through the traffic we doin' it hip now

Get a grip sucka and just hope you don't slip now

Flipmode (wha) coming fully equipped now

Cheers to all of my people taking a sip now

The Bussa Buss take y'all {niggaz} all on a trip now

See there's a couple thingz that we can really explore now

Show love, and we can put your face on the floor now

Flipmode squad soldiers keepin' it raw now

Bounce while I take y'all people straight to the floor now

[Chorus] x 4 times

I know just really what you want

All right, come and do the Buss a Buss

All right, come and do the Buss a Buss

All right, lemme see y'all do the Buss a Buss
All right
