

DJ Dado, Revenge

I don't want to believe it.
But now I have to see the cruel reality.
The joyful moments spent with you,
Are now only a sorrowful memory.
I only feel tears for your voice.
Revenge.

I can't live without you.
Your heat no longer warms my heart.
You turn your back on me.
I'm alone in this empty valley of tears.
I can't live.

I don't believe it, but I'll wait for you.
You are my star, the only one.
Revenge.

It's for revenge that I live.
The only thing inside of me.
Now, I'm alone in this empty valley of tears.
And revenge is my only friend.
