

# Dj Freedom, Hang On

Oh baby you gotta hang on now

I am trying to get it  
I'm trying to find  
if there's something  
or it's just  
imagination

I got into her life  
at a bad time  
she'd been stabbed in the back  
once too many  
yeah once too many

But I got to hang on now  
hang on to get her love  
wanna feel those lips  
again and again

Those eyes are really happy  
got to feel the beauty inside  
I've got to hang on for her love

Got to hang on

For her it's hard to let go  
of her emotions  
she wants to be in control  
and on the top

yeah but in some way I've got to show her  
I gotta show her what I'm feeling inside  
yeah what I'm feeling inside

'Cause I got to hang on now  
hang on to get her love  
wanna feel those lips  
again and again

Those eyes are really happy  
got to feel the beauty inside  
I've got to hang on for her love

Got to hang on now

I've got to hang on  
Just a little bit longer  
just a little bit  
just a little bit longer  
right here next to me

'cause I got to hang on now  
hang on to get her love  
wanna feel those lips  
again and again

Those eyes are really happy  
got to feel the beauty inside  
I've got to hang on for her love

Got to hang on

Please girl  
Please give a little and

try to show me what it's all about  
You don't have to say you love me  
But I'd like you to stay  
a just a little bit longer  
a just a little bit longer  
a just a little bit longer  
right here next to me

'cause I got to hang on now  
hang on to get her love  
wanna feel those lips  
again and again

Those eyes are really happy  
got to feel the beauty inside  
I've got to hang on for her love

Got to hang on now

Because I've got to hang on now  
hang on to get her love  
wanna feel those lips  
again and again

Those eyes are really happy  
got to feel the beauty inside  
I've got to hang on for her love

Wow I've got to hang on

Because I've got to hang on now  
hang on to get her love (just a little bit longer)  
wanna feel those lips  
again and again

Those eyes are really happy  
got to feel the beauty inside  
I've got to hang on for her love
