

DJ Fresh, Make U Bounce (VS TC Feat. Little Nikki)

We're out here in the open
I can't hear a thing you say
I just want to make the whole world bounce
I just want to make the whole world bounce

I just want to make the whole world bounce
Bounce, bounce, bounce, bounce,
Bounce, bounce, bounce, bounce, bounce

Make you bounce, bounce, bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bouncee
Make you, I just want to make the whole world bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bounce

We're out here in the open
I can't hear a thing you say
We could be anything if we could only be alone
We could do everything if only I could take you home

I just want to make the whole world bounce
Bounce, bounce, bounce, bounce,
Bounce, bounce, bounce, bounce, bounce

Make you bounce, bounce, bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bouncee
Make you, I just want to make the whole world bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bounce

A thousand eyes are watching us
And I wish them all away
I wanna be alone with you
And I don't want to wait

I just want to make the whole world bounce
I just want to make the whole world bounce

I just want to make the whole world bounce
Bounce, bounce, bounce, bounce, bounce, bounce, bounce, bounce, bounce, bounce

Make you bounce, bounce, bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bouncee
Make you, I just want to make the whole world bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bounce
Make you bounce, bounce, bounce

I just want to make the whole world bounce
Bounce, bounce, bounce, bounce,
Bounce, bounce, bounce, bounce, bounce
