The Feeling Lyrics by Dj Fresh Ft RaVaughn The feeling, the feeling, the feeling

The feeling, the feeling, the feeling

Everyone in the world it?s gonna to see ___

the human being ___

Such a good feeling, this feeling I can?t stop myself feeling, feeling, feeling such a good feeling, this feeling, this feeling I can?t stop myself feeling

Living tomorrow as easy as that if you want me further I?m not coming back I?ve canceled my credit, I?ve switched up my phone I?m leaving it all behind ?cause I see this vision when I close my eyes surrounded by.. in indigo sky the feeling?s electric as if paradise is come to take over my mind

Ohh such a good feeling, this feeling Ohh, I can?t stop myself feeling Ohh such a good feeling, this feeling Ohh, I can?t stop myself feeling

When the darkness pulls you under when the water feels too deep I will lead you to the feeling ohh and I will give you what you need, ohh

Ohh, the feeling, the feeling, the feeling Everyone in the world it?s gonna to see ___ the human being

Such a good feeling, this feeling I can?t stop myself feeling, feeling, feeling such a good feeling, this feeling, this feeling I can?t stop myself feeling

Ohh such a good feeling, this feeling Ohh, I can?t stop myself feeling Ohh such a good feeling, this feeling Ohh, I can?t stop myself feeling

I can?t stop, I can?t stop
Such a good feeling, I can?t stop myself feeling
I can?t stop, such a good feeling myself feeling
