

# Dj Jose, Stepping To The Beat

No one else... (x4)

As I'm walking down the street  
As I'm stepping to the beat  
I think about everything that you said to me

And how could you be so cold  
And how could this love oh-oh  
And I blame you  
Don't know what else to do

As I'm walking down the street  
As I'm stepping to the beat  
I think about everything that you said to me

And how could you be so cold  
And how could this love oh-oh  
And I blame you  
Don't know what else to do

As I'm walking down the street  
As I'm stepping to the beat  
I think about everything that you said to me

And how could you be so cold  
And how could this love oh-oh  
And I blame you  
Don't know what else to do

No one else (x10)
