

Dj Kuba & NE!TAN, Be My Baby

Verse 1

High heels on, I'm shootin' out the door tonight
Feel fresh faced, and my dress is kinda tight
Attitude, no one will get the best of me, I'm feelin' sexy, you're routin' for me
Wont you be the one to take me home tonight,
Watch me struttin' my stuff, I'm lookin' at you right
Party on, we're pumpin' up my favourite song,
We can get it on on,
We can get it on on

Bridge

Let the crowds go crazy,
Cos you're my baby,
Wont be no lady, I'll take over the floor
Play no stupid love song,
Cause' that's just so wrong,
We take control and boy you got me screamin'

Chorus

Eyo, eyo, boy you got me screamin',
Eyo, eyo, this is how I want it to be.
Eyo, eyo, boy you got me screamin'
Eyo, eyo, come and be my baby
Come and be my baby....

Verse 2

Your eyes say, you wanna but you're just too shy
I know that you're just not that type of guy
I like your style you know you got the swagger
I don't mean to brag but I got you in the bag bag
Wont you be the one to take me home tonight
Watch me struttin' my stuff, I'm lookin' at you right
Party on, we're pumpin' up my favourite song,
We can get it on on,
We can get it on on
