

Dj Ozi, Juice Pen

If you want to be my friend
Put my dick in your hand
Move it left, move it right
Try to lick, suck and bit
Here I am, touch me girl
Play with me everyday
Try to guess what I am
I'm your friend, juicy pen
Put my dick in your hand
I'm your friend, juicy pen
Put my dick in your hand
This is one DJ you don't wanna fuck with
If you want to be my friend
Put my dick in your hand
Move it left, move it right
Try to lick, suck and bit
Here I am, touch me girl
Play with me everyday
Try to guess what I am
I'm your friend, juicy pen
If you want to be my boy
Lick my pussy for my joy
Lick it up, lick it down
Lick my pussy all around
Here I am, I'm your girl
Do me right, be my man
Fuck me hard, fuck me well
I'll be nice, I'm your girl
If you want to be my boy
Lick my pussy for my joy
Lick it up, lick it down
Lick my pussy all around
Here I am, I'm your girl
Do me right, be my man
Fuck me hard, fuck me well
I'll be nice, I'm your girl
Lick my pussy all around
Be my man, fuck me hard
Fuck me hard, fuck me well
