

DJ Quik, Medley For A "V" (The Pussy Medley)

Snoop talking:

Ay yo G-1 I been listening to this nigga Quik album
& he ain't got no songs about the pussy. You know
that nigga gotta have something about the pussy on
this shit ya feel me? And I'm just that nigga to beat
the pussy up. So uh if you feel me like I feel you ya
know what I'm sayin' let me get a little piece of this
thang here like that there, trip.

Let a nigga from the E.S. L.B. D.P. beat that pussy
'til it's soft & mushy I love that bushy
and most niggas still do unless that bitch shit
smells like mildew & we'll do damn near anything to get it
and once I got it I'm outtie I stay 'bout it
I sip a little tea then light up my weed
I slip on my rubber out the cover then I proceed
to give yo' little thick ass what you need
gangsta gangsta I'll make ya cootie cat scream
Didn't I turn ya on like a phone you lovin'
that Doggy Dogg meaty bone
When ya moan ya whole voice tone make me wanna
put my bizalls in ya jizaws 'cause y'all
know what I'm gettin' at I'm spittin' at
Nigga wanna f**k trick so what's up bitch (biotch)
See as long as my muthaf**kin dick get hard
and I got a million dollars banked out on my credit card
No disrespect or no disregard but I'm hoppin' for that pussy
like they used to hop for cars my nigga DJ Q
told me come on through 'cause he got a gang
of bitches that was down to do
Keep it poppin' since I'm from the big LBC
that's right down the street from Compton
I pop in the liquor store to grab some h???
a bag of ice some blue dice & some Cognac yeah
the pussy's good especially when it's from a whole
'nother neighborhood how good do it get when you on that G shit
I'm strokin' that pussy 'til that bitch seasick
we dick bitches down and that's Rule #3 in the Dogg Pound
bitch drawers down!

Snoop singsong: We won't get no radio play
but we probably get some pussy for this. (What you say?)
I said we won't get no radio play but we probably
get some pussy for this.

Hi-C:

He heard me in the other room bangin' a broom
and baby better do me like I'm one in a million

'cause I'm the dick 'em down king 'call me on the celly
