## DJ Sammy, Prince Of Love (Acapella)

Can you tell me where you are? I'm searching you, but I can't find you - nowhere. When I look up to the sky. The moon is telling me, One day you will be mine.

So just send me, a heavenly sign of love No don't worry, I'll receive it from above. You just send me, you're heavenly sign of love. I wait all over, until you be my Prince of Love.
