

Dj Satomi, Castle In The Sky

Theres a place in my mind
No one knows where it hides
And my fantasy is flying
Its a castle in the sky

Its a world of our past
Where the legend still lasts
And the king wears the crown
But the magic spell is law

Take your sword and your shield
Theres a battle on the field
Youre a knight and youre right
So with dragons now youll fight

And my fancy is flying
Its a castle in the sky
Or theres nothing out there
These are castles in the air

Fairytales live in me
Fables coming from my memory
Fantasy is not a crime
Find your castle in the sky

Youve got the key
Of the kingdom of the clouds
Open the door
Leaving back your doubts

Youve got the power
To live another childhood
So ride the wind
That leads you to the moon 'cause..."
