

Dj Shah Feat. Jane Kumada, Turn back time

Do you wonder baby,
We can never stop a tear,
A tear
Do you hold me baby,
Slowly I disappear,
Appear
Do you call me crazy,
Now I can smell your fear,
Your fear
Close your eyes now baby,
I can still reflect your tears,
Your tears
No one can see me,
And no one can hurt me,
And slowly I disappear,
Appear
I can turn back time,
Back time,
I can float inbetween you'll understand
I can turn back time,
Back time,
I can float inbetween you'll understand
Sentimental maybe,
I just wana feel you near,
My dear
We're so lonely ID
Slowly we'll disappear,
Appear
No one can see me,
And no one can hurt me,
And slowly I disappear,
Appear
I can turn back time,
Back time,
I can float inbetween you'll understand,
I can turn back time,
Back time,
I can float inbetween you'll understand
