

# DJ Spinna, Watch Dees

(feat. Eminem, Thirstin Howl III)

[Thirstin Howl]

I hit harder than Foreman  
landing both both gloves to a low blow  
with no cup  
leave you Speech-less like when Arrested Development broke up  
carry a crow bar for egos that won't budge  
crack skulls through helmets  
with the penetration of a screw nailed in  
return like I was sending self addressed postage  
throw bricks the size of the Stonehenge  
before battles, we pour blood  
and toast, death to wicked infants  
found on the sorceress' doorsteps  
slaughter lamb  
and boar's head  
every MC's cause of boredom  
and mind bondage  
bronchitis, lung failure  
language unfam-i-liar  
art through a flooded air brush  
??? leave craft  
sentences joined with words holding hands  
it's a tight squeeze  
from where your head will be landing  
in exact time flight leaves

[Eminem]

Who's arm is this?  
I must have cut it off of the pharmacist  
Who refused to renew my seventh prescription of darvecet  
I'm the old man who lives upstairs and starves his pets  
and never leaves his house 'cause he thinks his car's possessed  
I hate my life  
that's why I degrade my wife  
grabbed a paper plate to make a sandwich  
and just ate the knife  
my mother's screaming 'please heal him, take him straight to Christ'  
meet you on the street and slap you just to break the ice  
made a bomb threat with a fake device  
strip you naked twice, pistol whip you and force you to take advice  
and if you catch me bobbin' my head to some bullshit spittin'  
I was probably just tryin to shake the lice  
bugs fallin' out of my head  
I'm wishin' I was dead  
while I'm crawlin out of my bed  
found it red and my rash is returning  
I feel the sensation of burning  
occurring, usually during pain for release in my urine  
screamin' at my shadow 'please quit followin' me'  
these pills keep screamin' 'please quit swellin' me'  
the devil keeps screamin' 'please get down on one knee'  
took the drugs before the cops ever found them on me
