

Dj Taek, Second Me (ft. Lena Romul)

Look in my eyes again
I am fallin here alone
Looking for a place to go

Walking to the moon
Believe in my dreams
Someone?s watching over me
Doesn?t want me to feel free

Give us sign
Give us place
Speaking for
Feeling your heart
Feeling your soul
We keep on moving
Searching for heart
Searching for love
Searching for freedom
Give us heart
Give us soul
We keep on moving
