

# DJ Tiesto, Just Be

You can travel the world  
But you can't run away  
From the person you are in your heart  
You can be who you want to be  
Make us believe in you  
Keep all your light in the dark  
Your searchin for truth  
You must look in the mirror  
And make sense of what you can see  
Just be  
Just be

They say learning to love yourself  
Is the first step  
That you take when you want to be real  
Flying on planes to exotic locations  
Won't teach you  
How you how to feel  
Face up to the fact  
That you are who you are  
Nothin can change that belief  
Just be  
Just be

Cause now I know  
It's not so far  
To where I go  
The hardest part  
Is inside me  
I need  
To just be  
Just be

I was lost  
And I'm still lost  
But I feel so much better

Cause now I know  
It's not so far  
To where I go  
There's not this spot  
Since this I feel  
I need  
To just be  
Just be
