

DJ Tiesto, Just Be

You can travel the world
But you can't run away
From the person you are in your heart
You can be who you want to be
Make us believe in you
Keep all your light in the dark
Your searchin for truth
You must look in the mirror
And make sense of what you can see
Just be
Just be

They say learning to love yourself
Is the first step
That you take when you want to be real
Flying on planes to exotic locations
Won't teach you
How you how to feel
Face up to the fact
That you are who you are
Nothin can change that belief
Just be
Just be

Cause now I know
It's not so far
To where I go
The hardest part
Is inside me
I need
To just be
Just be

I was lost
And I'm still lost
But I feel so much better

Cause now I know
It's not so far
To where I go
There's not this spot
Since this I feel
I need
To just be
Just be
