

# DJ Unk, Round & Round

(feat. Blazed)

Tell me is you ready [x2]

Girl are you ready

Girl are you ready

Oh baby is you ready

Baby is you ready

Girl cause I'm ready

Girl cause I'm ready

Can you make it go Round and Round [x3]

I can take your body (Up and Down [x4])

Is you ready

She freaky freaky so freaky,

This girl love me completely,

After the club, come meet me (and tell me that she ready),

She on it on it, she want it,

Over and over I bone it,

She rollin rollin she moanin' (girl you so sexy),

Love me love me, she love me,

We touch and drinkin some bubbly,

She kiss me kiss me, she hug me (she hot and she can't wait),

Pull that a\*\* put on me,

Girl come on ride on this pony,

Go up and down if you want me (girl make it relevant),

It's good good so good,

I love that way that she do it,

She far from niggas that's hood (wanna be my lady),

Let's do it do it, let's do it,

Her thighs is wet from the fluids,

We slow and down and we screw it (I'm hopin that's you ready),

Go Round and Round [x3]

I can take your body (Up and Down [x4])

Tell me is you ready [x2]

Girl are you ready

Girl cause I'm ready

Oh baby is you ready

Baby is you ready

Girl are you ready

Girl cause I'm ready

It's on on, it's on,

We up till 6 in the morn,

We steady gettin it on (she can't get enough of me),

Anotha hour we shower,

She smellin fresher than flowers,

Go head remove the towel (Cause I ain't feelin shorty),

Gotta gotta, I gotta,

I bend her over, I gotta,

I slap that a\*\* and she holla (she love to call me daddy),

Get it get it, let's get it,

Foreplay my way and she with it,

She usin ice and I dig it (she tryin to keep me up late),

And if you if you, still here,

When the sun appear,

(AY)It's OK my dear (you can stay forever),

Round round, around,

Go left and right, up and down

It's Unk and Blazed in sound, (you know it's big oomp records)

Tell me is you ready [x2]

Girl are you ready

Girl are you ready

Oh baby is you ready

Baby is you ready

Girl cause I'm ready

Girl cause I'm ready

Can you make it go Round and Round [x3]

I can take your body (Up and Down [x4])  
Baby roll it to the right,  
Roll it to the left,  
The way you put that thang,  
I don't want nobody else,  
(Go round and round,  
I love the way I do it to her,  
Slap on her on the a\*\*,  
Pull my pants down, and get to it)  
She make it go round and round, round and round  
Don't make a sound, don't make a sound  
Move you body up and down  
Round and round we go  
Can you make it go Round and Round [x3]  
I can take your body (Up and Down [x4])  
Tell me is you ready [x2]  
Girl are you ready  
Girl cause I'm ready  
Oh baby is you ready  
Good cause I'm ready  
Is you ready
