Walk It Out Like A Usher

If You Say Real Talk I Probably Wont Trust Ya

If You Wanna Go To War, The Guns My Pleasure

Even Jesus Had 12 Disciples On The Level, Trigger, Whatever

Pumm You Dont Want Naw Dega 3 Thou

I'm Like Jury Duty Your New To This Part Of Town

Your White Tee Well To Me Looks Like A Nightgown

Make Ya Mama Proud Take That Thing To Sizes Down

Then You Look Like The Man That You Are Or What You Could Be

I Could

I Give A Damn 'bout Your Car But Then That Would Be

If It Was Considered A Classic Before The Drastic Change In Production When Cars Were Metal In

Is What I'm Talkin About

Take Two Of These And Walk It Out

You Be The Reason They Talk It Out

You Cant Be The King In The Parkin Lot-Forever

Not Sayin I'm The Best But Till They Find Somethin Better

I Am Here No Fear Right Me A Letter 'till Then

I Walk It Out [x7] I Westside Walk It O-Out [x3] Then Eastside Walk It O-Out
