

Djali Zwan, Love to love

Oh its been too many times and I cant go back
Night bars, guitars, rundown motels like shacks
What it mounts up to I dont want it at all
Lost you and I want you today
Misty green and blue
Love to love to love you
Misty green and blue
Love to love to love you
To be something, to be near you
Dont say that youll never know
Love to love to love you
Half the time it could seem funny
The other half is just too sad
This west bound moons only rise and fall
Lost you and I want you today
To be something, to be near you
I dont know where Im goin to
Ive tried and I need you to stay
