

# Djedis Peons, Ill Be Missing You

(C. Ackerman)

Seems like yesterday we used to rock the chat I laced the track, you banned the forkers  
So far from hangin on the list for laughs WeirdKev they got to know that  
WChat ain't always what it seems to be Words can't express what you mean to me  
Even though you're gone, we still a team Through your AW, I'll fulfill your dream  
In the future, can't wait to see If Ted will K-line me  
Reminisce some time, the night k-lined my friend Try to black it out, but it plays again  
When it's real, feelings hard to conceal Can't imagine all the pain I feel  
I'd give anything to hear half your text I know you're living you life -- after K-line  
Every @ I take,  
Every log I make Every single day,  
Every time I chat  
I'll be missing you  
Thinking of the day,  
When they took u away  
What a friend to take,  
What a bond to break  
I'll be missing you  
It's kinda hard with you not around Know you in ICQ smiling down  
Watching us while we chat for you Every day we chat for you  
Til the day we meet again In my heart is where I'll keep you friend  
Memories give me the strength I need to proceed The strength I need to believe  
My thoughts K.E.V I just can't define Wish i can turn back the hands of time  
Us in the 5th, getting rid of lamers with bans and kicks You and me taking picks, making  
hits  
Channels they received you on I still can't believe you're gone  
I'd give anything to hear half your text I know your living you life -- after K-line  
Every @ I take,  
Every log I make Every single day,  
Every time I chat  
I'll be missing you  
Thinking of the day,  
When they took u away What a friend to take,  
What a bond to break  
I'll be missing you
