

# DMX, Getting Down

(feat. Bazaar Royale, Big Stan, Kashmir)

[Intro: DMX]

Grrrrrrr.

Gettin down for what we stand for cause it don't stop  
Once, the, Line's, crossed - BAZAAR!

[Verse One: Bazaar Royale - singing]

I am from the ghet-to  
I don't do the dis-co  
I just pull my pis-tol  
Take a chunk of your soul  
It's me who ride up by you  
Police won't recognize you  
Run up right behind you  
To let my ratchet squeeze  
And you don't want no drama  
Pistol-whip your momma  
Put that bitch in trauma  
You don't wanna war with MEEEEEEEE!!

[Chorus: DMX]

Gettin down for what we stand for cause it don't stop  
Once, the, Line's, crossed  
Gettin down for what we stand for cause it don't stop  
Once, the, Line's, crossed

[Verse Two: Big Stan] + (DMX)

(Next out the gate is B.S.!)

Dog, I don't have to use the fifth to be a threat  
I stand 6'3" , 430, any less?  
Motherfuckers want they shit split, I ain't the one to test  
Understand what I'm sayin if NOT, how I figure  
Nine to your tongue while I play with the trigger  
Will make you understand what I say a lot quicker  
Do we have an understanding? (YEAH!) My nigga  
In case I be frontin know they really - DON'T WANT IT WITH MEEEE  
Come comin with them hollows and heaters - TO PUT IT SIMPLYYYY  
So if your team don't follow its leader - THEN COME AND GET MEEEE  
But ALL you cowards better believe it - YOU COMIN WITH MEEEE!

[Chorus]

[Verse Three: Kashmir] + (DMX)
